

# Simge AÇIKGÖZ

GRAPHIC DESIGNER

## About Me

I'm a creative and detail-oriented graphic designer with a background in automation and a two-year degree in graphic design. I combine technical thinking with artistic vision to create designs that are both functional and visually compelling. Skilled in Adobe software, 3D modeling, and web design, I focus on delivering clear, client-driven solutions. I'm passionate about continuous growth, teamwork, and turning ideas into meaningful visuals.
